DECISION ON
PAPERS UNDER 37 CFR 1.42

This decision is in response to applicant's "Renewed Submission under 37 CFR 1.42" filed via facsimile on 17 January 2002 and facsimile communication filed 20 March 2002. In a decision dated 14 September 2001, applicants' request filed 25 June 2001 was dismissed because the declaration was defective under 37 CFR 497(b).

On 17 January 2002, applicants filed the "Renewed Submission under 37 CFR 1.42" accompanied by an declaration/power of attorney executed by Margaret Johnson Selfridge as the "administrator" of the deceased inventor, Alan Robert Selfridge.

On 17 March 2002, applicants filed a facsimile communication which was accompanied by postcard receipt showing the mailing of a Renewed Submission under 37 CFR 1.42. The postcard receipt is date stamped 10 January 2002.

DISCUSSION

Pursuant to 37 CFR 1.42, first sentence:

"In case of the death of the inventor, the legal representative (executor, administrator, etc.) of the deceased inventor may make the necessary oath or declaration, and apply for and obtain a patent."

The declaration filed 17 January 2002 is executed by Margaret Johnson Selfridge as the "administrator" of the deceased inventor. The declaration is acceptable under 37 CFR 1.42 and complies with 37 CFR 1.497(a)-(b). Accordingly, the requirements for entry into national stage under 35 U.S.C. 371(c) were completed as of 17 January 2002.

Applicants have provided a copy a postcard receipt showing that the Renewed Submission under 37 CFR 1.42 was filed 10 January 2002. The best evidence of what was actually received by the Office is a postcard receipt containing a specific itemization of all

the items being submitted. See MPEP 503. The copy of the postcard submitted with the petition bears a date stamp of "10 JAN 2002" for this application but does not itemize the declaration and power of attorney which allegedly accompanied the renewed submission under 37 CFR 1.42. Accordingly, the postcard receipt does not constitute prima facie evidence of receipt of the declaration and power of attorney on 10 January 2002 and therefore, the requirements for entry into national stage under 35 U.S.C. 371(c) were completed on 17 January 2002.

CONCLUSION

The papers filed under 37 CFR 1.42 are ACCEPTED.

The application has an international filing date of 26 August 1999, under 35 U.S.C. 363, and a 35 U.S.C. 371(c) date of **17 January 2002**.

This application is being forwarded to the National Stage Processing Branch of the International Division for continued national
